

Instructions for Formula Purchasers

Trial Batch

Do a trial batch for One liter. If quality is Good then Do it second time and third time with same materials.

(What is the purpose of three trial batches?)

= Getting quality is not important. The important thing is to consistently receive the same quality.)

Why the trial batch is important

In the Trial Batch we need to confirm **three things**.

- 1) The formula is correct.
- 2) The materials we use are correct (i.e Suitable for this formula)
- 3) We have the skill & knowledge to do this.

I take responsibility.

- 1) If you have doubts and problems while doing the **Trial Batch**, if you send me WhatsApp (Text message or Voice message) or Gmail, I will give appropriate explanations. I will take my own time to reply.
- 2) This is applicable only for professional formulas (Priced more than ₹ 1000) within 30 days of purchase of formula

I take no responsibility.

- 1) I am not responsible for any doubts and problems that may arise while doing **Bulk process** directly without confirming above mentioned three things in trial batch.
- 2) I am not responsible for any doubts & issues regarding this formula after 30 days.

NOTE

- 1) If you need any consultation, out of the formula, it will be Considered as paid consultation.

Do not share

- 1) You should use this formula only for your personal and business Purpose.
- 2) Do not share on social media.
